

DragonPlate™ Ultra High Modulus Carbon Fiber Products

Purchase Application Form

DragonPlate™ now offers as an option the Ultra High Modulus Carbon Fiber (UHM) as a component in our carbon fiber plates, tubes, etc.

Because UHM is export controlled, customers who purchase our carbon fiber products with the UHM component are required to complete an application form for our records. Please complete and return this required form when placing your order. Email completed form to: service@dragonplate.com, or fax completed form to (315) 252-0502.
